

## **Identity and Intimacy Prayer Confession by Ibukun Akinbamijo**

***Ephesians 1 and 2; psalm 56:8, Romans 8:16-17, Galatians 3:29, Hebrews 1:2, Psalm 16:6, Ephesians 2:10, Psalm 65:11, Philippians 4:17***

I am blessed with all spiritual blessings in heavenly places. What is available to GOD is available to me because I am yoked with Christ. I am chosen, carefully thought out by God. I am not an afterthought, God prepared for me in advance before I showed up. I am a joint heir with Jesus; I am not a lone ranger. God created and situated me within a tribe. I am not alone. I am surrounded by a huge cloud of witnesses. My God has me covered ALWAYS!!!

I am accepted in the Beloved. My insecurities are dead here. The embrace of my father casts away all my fears and doubts. Here, I am loved despite myself.

I am redeemed! Halleluyah! I am redeemed by the Blood of Jesus. I am healed, saved, and set free. The riches of my Lord's praise makes ways for me constantly. I am a 'blood-washed, blood-bought and blood sanctified' child of GOD! The blood of Jesus avails for me, speaks for me, fights for me and makes all the difference in my life. His blood is a reminder and a definer of my core existence. The risen Christ is my father and I am truly grateful!!!

I am a wise and prudent child of God. I am not wasteful. I am not given to the lusts of my flesh. No! I am a yielded vessel in the hands of my father.

My father is not wasteful, even the tears of my eyes, He collects in a jar, therefore I cannot be wasteful. I take after my father who is the chief resources manager of my life of my life and destiny. He is the commander in chief of my life and the administrator of my supernatural wealth.

I am a carrier of mysteries. I am a friend of my God and He lavishes me with Kingdom secrets integral for my call and purpose in God! I live in the generosity of my God. My God gives me access; no part of Him is hidden from me. Layer upon layer, He unveils himself to me. I take after my father; I am a carrier of capacity building encounters. My God has empowered me with a revelation retention capacity that makes me apply all that He shows me precisely. Halleluyah!

I am submitted to God. I am not here for showmanship. I am here for the KINGDOM of GOD. I am not here chasing shadows, I am here to chase GOD, find GOD, know GOD and do HIS will. I am fully yielded to God. No part of me belongs to me. He made me and I give myself back to Him daily. I die daily to flesh to be resurrected to a vibrant and fire filled life for Jesus!

The lines have fallen on me in pleasant places; YES! I have a delightful inheritance. I have an inheritance in my father that transcends times and seasons. I am a part of a script written by my father. I want just here to do my part. My inheritance in God is something I will pass onto my children. Generations unborn will bless God for me. My purpose is hidden, found, crafted and dispensed in God. I am a part of the generation that SEEK God and I will deliver this generation and many more to HIM because I am made for such a time as this!

I am the praise of my God's glory!!! People look at my life and just give thanks and praise to God. All I am here to do is point others to God. I am here to reconcile men back to God. I am not here to boast about myself; my boast is in my father because He supplies all my needs according to his riches in glory through Christ Jesus. Glory to God!

I am sealed with the Holy Spirit of promise. Wow!!! The Holy Spirit is my friend, teacher, coach, mentor, strategist, wisdom wand, orator, publicist, helper, healer, redeemer and other things too numerous to mention. The

Holy Spirit, the promise of the father to me has truly comforted me on all sides. I am many steps ahead of my years because of the Holy Spirit. He teaches and influences my life. Oh! I live in Pentecost. I live in the revival, that's my permanent abode. As fish is to water, so is the supernatural to me. I am in the world but not of the world.

I am surrounded by intercessors. I am not alone in this journey. I am surrounded by those who constantly uphold me in prayers just as I uphold others in prayers. The Holy Spirit is the deposit guaranteeing my inheritance. Dearest Holy Spirit, teach and show me your ways. Help me to love you. Show me how you want me to love you. I dismantle everything I know about you and I enroll in the school of the spirit afresh. Teach me afresh Jesus! Teach me about you anew. I am your student, show me your ways. I refuse to move by my understanding. I plug into you as my source. I put my legs on yours and move as you move, father. I am not too early or too late; I am RIGHT ON TIME! Yes Lord!

I am enveloped by the spirit of wisdom and revelation in the knowledge of you. He has enlightened my eyes of understanding. I see as my father wants me to see. I don't see blurry visions, I see with the eyes of God! I am constantly living in the dispensation of fresh insights. The generosity of God provides that for me. I am strengthened in God and my path drips fatness. I am above powers and principalities. I tear down and make an open shame of thoughts, habits, and imaginations that have exalted themselves above the name of Jesus in my life. I take back my power. I am no longer bound by you. I am seated with God in heavenly places and I execute the will of my God on earth. His fullness fills me daily!

The life I live now, I live in the risen Christ. My old self died with Him at Calvary and I arose with him at the resurrection. The old man is gone; I am a new creature in God!!! I am no longer yielded to the spirit of disobedience. I am awake to my purpose and a burning desire to see my God exalted. I no longer carry pain and guilt, my God has healed me and I am made whole again. Halleluyah!!!

I am the workmanship of God, created in Christ Jesus unto good works. Corruption is far from me. I am shielded from the corruption in my

mountains. I walk in the volume of books written concerning me accurately and precisely. The blood of Jesus is the solidifier of my call and walk with God. The blood has torn off the veil. The gap between me and the supernatural is closed. Thank you, Jesus, my access to eternal life!!! Thank you, Jesus, the guarantor of the new covenant! Thank you, Jesus, for making me a fellow citizen with God's people; I lay hold on all that accrues to me as a result of this citizenship. I stand firmly on the foundation of the apostles and prophets, I stand on Jesus the cornerstone himself; thus I am immovable. My stability is found in Jesus alone! And in Him, I am being built together to become a dwelling in which God lives by His Spirit.

Thank you Jesus!!!
